

Audit Services Agreement

CREATOR PRIVACY CHECK · MODELO EDITABLE · COMPLETAR ANTES DE FIRMAR

Plantilla operativa sujeta a revisión jurídica final según el mercado y la condición del cliente.

1. Parties

Provider: [Nombre del prestador], sole trader operating under the commercial name Creator Privacy Check, [Domicilio profesional], [Código postal y ciudad], Germany. Client: [legal name], [address], [email], [country].

2. Purpose and scope

CPC will investigate and document publicly accessible information concerning possible unauthorised exposure of digital content, within the scope in Annex A. It does not include legal advice, representation, complaints, contacting third parties or any guarantee of removal.

3. Requirements

The client confirms that they are an adult, act on their own behalf and are entitled to authorise the review. CPC does not accept audits of minors or requests made on behalf of another person. The client must not send passwords, access codes or intimate files.

4. Timing and delivery

The report is normally prepared within 7–14 days. It will distinguish verifiable facts, indications and unverifiable results. CPC does not guarantee that every copy will be located or removed.

5. Price and payment

Service: [Exposure check / Expanded exposure map]. Final price: [€94.00 / €296.00], taxes included. Payment will be requested only once the report is complete, through Stripe, PayPal once validated, or SEPA transfer against an invoice.

6. Secure delivery

After payment is confirmed, the report will be uploaded to HiDrive and a private link and unique download code assigned exclusively to the report will be sent. It will remain available for a maximum of 14 calendar days and will then be deleted.

7. Privacy

CPC does not request or store passwords, credentials, card numbers or full bank-account numbers. Only the contract, invoice and minimum compliance evidence will be retained for the legally required

periods.

8. Applicable law

The activity operates from Germany and is based on German law. Mandatory consumer protections will be respected where applicable. The specific jurisdiction will be confirmed before additional markets are activated.

9. Signatures

Place and date: [complete] Provider signature: [Nombre del prestador] Client signature: [complete]
Annex A – Authorised scope: [complete] Annex B – Price and invoice: [complete]

10. Signing procedure and service scope

The agreement will be sent to the client by email for review and signature. The client will return the signed document by the same channel before any audit begins. Receipt of the signed agreement and authorisation starts the estimated timeframe.

Basic audit (€94.00): a straightforward search of public web sources and an organised record of findings, following the scope and format of the sample published on the website. It does not include recommendations or an expanded exposure map.

Expanded audit (€296.00): an extended investigation of relevant sources and findings, with available documentation within the agreed scope, plus general recommendations on possible protection or removal steps. It is not legal advice or representation.

11. No retention, use or disclosure

CPC undertakes not to retain the information found beyond the time strictly necessary to prepare and deliver the report, not to share it with third parties and not to disclose it publicly. The report will be stored temporarily in HiDrive for a maximum of 14 calendar days and then deleted. The private link will require the unique code assigned exclusively to the report before it can be viewed or downloaded. Only the agreement, invoice and minimum legally required compliance evidence will be retained.

The client agrees that the agreement, authorisation, invoice and report will be communicated through the email address provided, using reasonable confidentiality measures.
